

On a given day some 1,000 or more vehicles exit the parking garage.

- If you live **WEST** of the property, exit the garage and head toward Chase Bank – merge with westbound Bee Cave Road Traffic
- If you live **East** of the property, exit the garage and head toward the Dimensional Place traffic light. Proceed turning east onto Bee Cave Road
(At the stop sign we do a “taking turns” approach allowing 1 car from the hilltop drive to go then 1 car from building 2 will go. This keeps the traffic flowing quickly while the light is green)
